

Dear Mike,

We want you to know how grateful we are to have worked with you in buying our first home. You were so helpful, detail-oriented, and understanding to our needs and wants. We are so happy in our new home and so happy with the home-buying experience we had--*all because of you*. We could not have asked for a better real estate agent. We would recommend you to anyone looking for a home. I can't imagine why anyone would go elsewhere. You are the BEST!

Sincerely,

Wendy & Stacey Smalley
